Thanks for the prompt reply, Kimberly, and certainly understand the preference. If we sense there are enough people to warrant your suggestion, I'll let you know ASAP.

We look forward to Wednesday's discussion. Thanks again -

Mark

Hi Mark,

We'd prefer to offer a second time, or perhaps even individual calls for those who may be unable to attend on Wednesday. Let us know if that could work for your board.

Thanks,
Kimberly

Kimberly Nesci, Director
Biological and Economic Analysis Division (BEAD)
Office of Pesticide Programs
Office of Chemical Safety and Pollution Prevention
703-969-9109 (cell)

Kimberly – one other question was asked by our board....

Would EPA be comfortable with recording this in Teams, in the event any of our members aren't able to attend the call Wednesday and wanted to listen to it after? I think since you are the host of the call, you would have to initiate recording in Teams....and thus, you could control access to the recording.

Please advise. Thanks –

Mark

Hello Kimberly – yes, the Wednesday 2 PM time slot still works. You can change to “confirmed”. I have forwarded to all our regular members (registrants). I am also forwarding to CropLife / RISE staff.

Thanks again –

Mark
